Speaking Gigs

Health, Lifestyle, & Business Coach

Combining the best of the old and the new in Gonstead chiropractic, Dr. Bobby Fano, DC, is the founder and chief creative officer of Vertical Chiropractic located in California. He resides with his beautiful wife and 3 children in Lake Tahoe, California. With 13 years into practice, he serves hundreds of patients weekly with patients traveling miles seeking out his care. Dr. Bobby Fano, DC dedicates himself to specializing in corrective chiropractic, creating five-star experiences for his patients, and influencing clients to aligning beliefs, optimize behaviors, and increase their energy. With his extensive studies in biomechanics, fitness, nutrition, health and human behavior sciences, and his experience with family care and operating multiple businesses afford him a unique perspective on what the essential ingredients are to helping others design and live their best lives.

Influencer

Certified Gonstead Instructor, and member of GCSS Board of Directors, Performance Coach, Print Model, and Chief Creative Officer of @verticalchiro

Dr. Bobby Fano, DC demonstrates living life in alignment beginning with his own family. He inspires many of his followers to higher standards of health and giving practical strategies to manifest their dreams into reality.

"You can tell that Dr. Bobby really cares about his patients by how he has spent quality time in setting up his chiropractic office. He not only aligns your spine, but he also aligns your life." - Michael F.

"Build an extraordinary business by living an extraordinary life." - Bobby Fano
